FACULTY SENATE

Dear Maury:

I have enclosed Faculty Senate Bill No. 73-74--5 approved. I want to make the point that in approving this bill my action should not be interpreted to mean that I think that the Faculty Senate should make decisions on the location of specific items in the University Undergraduate Bulletin. My interpretation of the Faculty Senate action in this case is that they have recommended that the Black Studies Program be recognized as an interdepartmental study program. It is my feeling that the procedures currently followed by the Publications Office in consulting with the academic deans and department chairmen are adequate for establishing the format of the Undergraduate Bulletin. This should not be interpreted to mean that evaluations and suggestions from the Faculty Senate or any other body would not be welcomed.

Sincerely,

William R. Ferrante
Acting President
